

We Are NOT your Average Auto & Marine Shop! We can turn your Dreams into Reality....

Are you tired of dealing with un-returned & un-answered calls or emails and people that don't care about your Boat or vehicle as much as you do? Are you tired of just being another number at a service center? Do you demand attention to detail & quality personalized service?.. Then stop wasting time & hard earned money! Call us today for an appointment!

We make Fast boats Faster, Cool boats Cooler and Old boats New! We specialize in all aspects of Customization and Restoration of performance boats in addition to being a FULL SERVICE marine facility for Performance boats and Family boats. We specialize in but are not limited to Sterndrive I/O's, Jet boats, Inboards & V-Drives.

We do everything from Mild to Wild. Whether you are looking for a Supercharger, Custom Engines built by us or OEM and Performance parts look no further. We do ALL aspects of performance boat work including but not limited to Service, Maintenance, Customization & Restoration.... We specialize in such boats as Donzi, Eliminator, Fountain, Formula, Cigarette, Apache, Baja, Wellcraft, Pantera & CheckMate. And that's just to name a few.

We also make Fast Cars Fast, Cool Cars Cooler and Old Cars New! We can customize your ride on land whether it is an Exotic, Sports or Luxury Car or SUV/Truck. Don't just limit your love of performance to the water only! We currently specialize in, but are not limited to performance upgrades & custom work on the following makes: Porsche, Mercedes, BMW, VW, Audi, Ferrari, Corvette, Hummer, Jeep, as well as some other foreign & domestic makes and models.

We have been in both industries for well over 15+ years and look forward to serving you.

Here is a Rare & Unique APACHE Powerboat that we also did. It was operated by Ben Kramer, one of the former owners of Apache after the original founder Don Aronow.

It has been repowered with twin blown 509's & a Konrad 540Hp drive set up by us among other things...
